Hi All

Here is a draft agenda and a draft read ahead material. I have highlighted some places where I need input from David or Kai and Nikia. We need to get this to the 7<sup>th</sup> floor by midday Thursday but hopefully we can address most concerns during our meeting at 4.

Saving this time to discuss the Friday briefing - order of discussion and approach. Kai is not available on Thursday, so it would be good to get his thoughts today. If we need further discussion with the rest of the team, we can do that on Thursday as well. Please forward this if I've missed a key person that needs to have a role in the discussion on Friday.

Thanks,  
Sandie
